### SCOPE:

The 2nd Asian Conference on Artificial Intelligence Technology (ACAIT 2018) invites the submission of technical papers for the main technical track of the conference which will be held in Chongqing, China, from June 8th to June 10th, 2018. ACAIT 2018 is sponsored by Chinese Association for Artificial Intelligence (CAAI) and Chongqing University of Technology (CQUT). Submissions are invited on significant, original, and previously unpublished research on all aspects of artificial intelligence. All papers will receive mindful and rigorous reviews. ACAIT 2018 aims at providing one major international forum for researchers to share their new ideas and achievements. Submissions from other than the Asia-Pacific regions are also highly encouraged.

Topics of interest include, but not limited to:

- Industrial Visual Inspection
- Advanced Computational Intelligence and Its Applications
- Pattern Recognition and Computer Vision
- Intelligent Mobile Robotics and Systems
- Image Processing & Computer Vision
- Intelligent Optimization and Learning
- Intelligent Control and Decision
- Granular Computing and Knowledge Discovery
- AI and Complex Systems

### PUBLICATION:

All accepted paper will be published by *The Journal of Engineering (JoE)*, Online ISSN 2051-3305) which is indexed in Ei Compendex, IET Inspec, IEEE Xplore, DOAJ, GoOA platform and Emerging Sources Citation Index (ESCI).

### IMPORTANT DATES:

### SPONSORS:

### SUBMISSION DETAILS:

- Submission Site: <http://meet.58wifi.cn/>
- Formatting Guidelines Template: [http://meet.58wifi.cn/Home\\_en/index/call\\_for\\_papers.html](http://meet.58wifi.cn/Home_en/index/call_for_papers.html)
- Authors are required to submit their electronic papers only in Word format.
- At least one author of each accepted paper is required to attend the conference to present the work.
- Poster will be on view during the whole conference schedule.
- Authors will be required to agree to this requirement at the time of submission.

### KEYWORDS:

When submitting their papers, authors will be required to remark their paper's session topic and the name of the recommended session chair.

### AWARDS:

ACAIT 2018 will award outstanding papers in each session.

### CONFIDENTIAL POLICY:

All submissions will be treated in strict confidence until the publication date.

### REVIEW PROCESS:

Papers will be subject to double blind peer review in which the reviewers do not know the author's identity. In order to make blind reviewing possible, authors must omit their names and affiliations from the paper. Also, while the references should include all published literature relevant to the paper, including previous work of the authors, it should not include unpublished work (papers that are accepted and are made available online by the publisher can be cited). When referring to one's own work, use the third person rather than the first person. Similarly, reviewers should not reveal their identities within the paper reviews. Selection criteria include originality of ideas, correctness, clarity, significance of results and quality of presentation. The decision of the Program Committee will be final and cannot be appealed.
